See if you qualify for financial assistance

You may be eligible for a tax credit (subsidy) to help lower your monthly premium. See if you qualify:

- Call your independent broker or contact us directly at 1-866-346-2081 (TTY: 711).
- Visit ibx.com/calculator.

Find your individual monthly premium:

1. If you do not use tobacco, refer to the set of plans under Non-tobacco. If you use tobacco, refer to the set of plans under Tobacco. Tobacco rates apply to applicants ages 21 and older.
2. Look at the first column to narrow down your plan type — Gold, Silver, Bronze, or Catastrophic.
3. Find the name of the plan you're interested in, and scan the row to the right until you find the rate in the column for your age. If you want to see other plan rates you may be eligible for, look up or down within your age column to compare prices.

Find your family monthly premium:

1. Follow steps 1 – 3 above for each family member covered under your health plan.
2. Add the rates together for each person. If you are purchasing a health plan that includes more than three children younger than 21, only the rates for the oldest three children are included in your total.

	Age	Rate
You	56	$750
+ Spouse	54	$686
+ Dependent 1	23	$234
+ Dependent 2	20	$227
+ Dependent 3	14	$179
+ Dependent 4	12	$179
+ Dependent 5	10	$0 Included
= Total family rate		$2,255
